

OLD SPANISH DAYS **FIESTA** August

Let's make this the most celebrated year for Old Spanish Days. Everyone can show their spirit and support by "dressing up" their store fronts, office buildings and parties with official Fiesta Days decorations hand silk screened by the FLAG FACTORY, Santa Barbara's premiere flag and banner maker, celebrating over three decades in our community. Make this year the most colorful, brightest and liveliest year ever! It's good for business and a great way to support the Old Spanish Days tradition since 10% of the proceeds go directly to Old Spanish Days. Call if you have any questions, or if you need installation assistance.
